I'M very enthusiastic & ready to be a home tutor for the kids who are in Beginner level, Elementary level & also Lower intermediate level in English. The one I can completely guarantee myself is that I'm very patient with the kids & I have a great strength in helping them to be easy & well in learning English. My pleasure is to guide only the kids. I have enough of experience in guiding the kids for 2 years. Therefore, I hope that I can be a good & helpful home tutor for English learning children.
